DIVERSITY, EQUITY AND INCLUSION OFFICE
Mid-Year Report
July 2023
The City of Topeka’s Diversity Equity and Inclusion (DEI) Office was established and opened its doors in January 2023. The DEI Office is responsible for the development, implementation, and incorporation of proactive diversity, equity, and inclusion strategies throughout all aspects of the City.

The DEI Office is committed to achieving equal treatment, diversity and inclusion of the individuals it employs. The office is committed to ensuring we do not discriminate against anyone based on their age, color, disability, familial status, gender identity, genetic information, national origin, race, religion, sex, sexual orientation, veteran status or any other factor protected by law (“protected class”). This applies to all personnel actions and procedures including compensation and other benefits, as well as when recruiting, hiring, training, transferring, and promoting employees.

**EQUITY Vs. EQUALITY**

**Equity:** Provide fair treatment, access, opportunity, and advancement for all. Understanding that not everyone starts from the same place, we must acknowledge, identify, and eliminate barriers to foster civic participation, belonging and promote just outcomes. Equity is outlined in the Strategic Plan as one of the city's core principals.

The distinction between Equity and Equality is a vital piece in the Diversity Equity and Inclusion Office’s role in understanding, addressing, and dismantling inequities faced by marginalized communities, lower-income neighborhoods, and hiring processes.

The DEI Office has the following responsibilities:

- Develop a vision consistent with our purpose to power an inclusive future for all, and executing that vision.
- Establish data-driven performance indicators and progress benchmarks to ensure accountability towards equitable delivery of city programs and services.
- Forge strategic alliances within the organization and in the community to further established diversity, equity, and inclusion initiatives.
DEI OBJECTIVES

HIRING
Intensify efforts to recruit applicants within a protected class for every level of responsibility

TRAINING
Develop training programs for qualifying persons within a protected class for beginning level positions and for advancement

OPERATION
Develop procedures for monitoring the application flow, hiring process and disposition of persons within a protected class

- **DEI Strategic Plan:** this plan would highlight the City’s efforts and plan to address disparities and create equity by creating an inclusive culture that is collaborative and respectful.
