Step 3

If the CoC receives more than 1 application, the applications will be reviewed by a three-person review committee and scored and ranked in order of preference. The CoC is only allowed to submit 1 application to HUD. All applicants will be notified in writing if their application was accepted or rejected, no later than November 21, 2024

Step 4

Once the review committee makes their determination, the ranking will be presented to the Homeless Task Force. The due date of the NOFO is November 21, 2024 and the CoC will submit early on November 19, 2024.
