Small Business Grants Program

Purpose:

The Small Business Grant Program provides operating assistance to business owners employing 1-25 persons and have suffered a loss due to COVID-19. The source of the funds is HUD's Community Development Block Grant (CDBG-CV) program and therefore businesses must be owned or employ low-moderate income persons. The applicant can apply up to \$20,000 in assistance for eligible expenses that occurred after 3/17/20 including:

- Payroll
- Rent/Mortgage
- Utilities
- Loss of Inventory
- COVID Related Purchases

Applications will be accepted continuously until funding has been depleted. Minority and Women owned businesses will receive priority in the selection process, and 25% of the total grant allocation will be set aside for MBE/WBE businesses. Grants can't duplicate funding requested and received through other federal sources or programs.

Operation COVID-19 Programs

Basic Needs Assistance

Operation COVID-19 Basic Needs Assistance Program was a foreclosure/eviction mitigation and utility prevention shut-off program created by the City of Topeka and administered by the Community Resources Council (CRC). \$1.5 million in CARES Act funds was expended to qualified applicants to help cover expenses and help keep people housed and with utilities. Applications were accepted December 2020 through September 2021.

Mortgage and Utility Assistance

Operation COVID-19 Mortgage & Utility Assistance Program funds are currently available for households behind in their mortgage or utility payments due to COVID-19. Applicants must be city residents, have documented Covid-related income losses after March, 2020, and make no more than 100% of the area median income. The program is operated by Community Resources Council (CRC) with \$400,000 in CARES Act funds through the City of Topeka. Call (785) 233-1365 for an appointment.
