TOTO (Topeka Opportunity To Own) helps Topeka residents become home owners by providing education, financing, and home maintenance. You will have the advantage of guidance from a HCCI Certified Home Buyer Counselor through the entire process. **Prior to the education classes, you will need to schedule an appointment with HCCI.** If you are not eligible, we will guide you through needed steps to become qualified. Once your eligibility is confirmed, you will attend the classes before looking for a home.

The first four hours meet the education requirement for most lenders.
The complete program is a requirement for the Topeka Opportunity To Own (TOTO) program.
