Hey Mike!

00:30:17 Citizen Advisory Council 08032022: Good evening, please put your name and the organization that you represent in the chat for attendance purposes. Thanks!

00:30:24 Michael Bell: Hey, ShaMecha!

00:39:56 Michael Bell: What type of assistance, outside of the TRM, is available? Do we make people aware of those options?

00:42:27 Michael Bell: Couldn't hear the last question. I can hear Cochran fine.

00:43:12 Michael Bell: Can't hear the question.

00:43:41 Citizen Advisory Council 08032022: Don is not speaking into the mic and has a mask on. He asked how showers can help people that are "stuck out in the trees?"

00:43:46 ShaMecha King Simms (she/her): I think he's asking about following through with getting out the streets

00:44:11 Michael Bell: Thanks to both of you.

00:46:22 ShaMecha King Simms (she/her): Would that be See Click Fix for squatters?

00:46:36 Michael Bell: All vacant structures need to be secured.

00:47:49 Jill's iPhone: Jill Rice - HiCrest NIA

00:48:05 Michael Bell: Hi, Jill!

00:49:29 Jill's iPhone: Hi Michael & ShaMecha!

00:50:45 Jill's iPhone: LaToya, My last name is wrong on the agenda for the Affordable Housing. It is Jill Rice, and not Thompson.

00:50:55 Michael Bell: Can't hear the speaker right now.

00:51:24 ShaMecha King Simms (she/her): @Mike, LaToya was just repeating my question 😊

00:51:36 Michael Bell: OK.

00:51:57 Citizen Advisory Council 08032022: Hi Jill, I'm sorry. I will work with the Chair to get this corrected on the upcoming minutes and future meeting agendas.

00:53:45 Jill's iPhone: Yay!

00:53:59 Michael Bell: Definitely!

00:54:21 ShaMecha King Simms (she/her): Just takes a huge chunk out of the budget though...the mailing that is.

00:55:05 Michael Bell: For the more populous NIAs, it definitely does.

00:58:02 Jill's iPhone: I agree ShaMecha! It takes all of our budget.

00:58:51 ShaMecha King Simms (she/her): 😞☐

00:59:11 Jill's iPhone: Oh no! So sad.

01:00:04 Jill's iPhone: The agenda mentions a chair for the scoring. How does that work?

01:01:34 Michael Bell: Only active NIAs can apply?

01:03:29 Jill's iPhone: Thank you

01:22:42 Citizen Advisory Council 08032022: Jill - I will get this corrected as well

01:23:30 Jill's iPhone: Thank you Michael

01:27:52 Michael Bell: You bet!

01:28:59 Michael Bell: Great idea, ShaMecha!

01:30:41 Michael Bell: Aren't HUD funds available for educational purposes?

01:33:17 Citizen Advisory Council 08032022: I sent ShaMecha and the group included in her e-mail a couple of questions that would help us to determine if/how the program would/could fit within HUD program parameters

01:41:21 Jill's iPhone: I very much appreciate the changes in the meeting time and the amount of items on our agenda. Thank you for making those changes.

01:47:40 Michael Bell: What NIA does she represent?

01:48:56 Michael Bell: Mary Thomas, CRC exec. dir.

01:53:21 ShaMecha King Simms (she/her): Things are slowing down into the fall...
