WHAT TO EXPECT
WHEN APPLYING FOR A PERMIT ON OUR
APPLICATION PORTAL

DEVELOPMENT SERVICES DIVISION

COMMERCIAL INTERIOR ALTERATIONS/TENANT FINISHES

Application Help... before you apply:

Documents for all new structures and additions are required to be sealed, signed and dated by the appropriate design professional.

A Separate Permit Application is Required for Fire Suppression Systems. Stamped Design Documents for the fire sprinkler, fire alarm systems & hood suppression systems are required. Required design documents shall be submitted within 30 days of issuance of building permit for review and approval PRIOR to installation of any system.

Projects with any food service, commercial kitchen or food preparation areas must be reviewed & approved by the Kansas Department of Agriculture (KDA), Division of Food Safety and Lodging. Submit applications directly to KDA; submit documentation of KDA approval to Development Services. The KDA application & process can be found **here**.

The following questions will be asked through our portal application
