

CITY OF
TOPEKA

WHAT TO EXPECT
WHEN APPLYING FOR A PERMIT ON OUR
APPLICATION PORTAL

DEVELOPMENT SERVICES DIVISION

RESIDENTIAL ACCESSORY STRUCTURE

Application Help... before you apply:

Please provide footing/foundation/pier/slab plans, building plans and elevations with notes and details describing building materials, size and spacing of framing materials, for floors, walls and roof construction, support posts, decking, railings, stairs, a dimensioned site plan indicating property lines, easements and public-right-of-ways, location of proposed structure, related paving such as sidewalks, driveways.

The following questions will be asked through our portal application

Section 1 Questions: Basic Info about the application

Project Name: _____

This would be the proposed project name. This is not a required question.

Address: _____

You can enter the project address or locate it on the map.

This can be left blank. You will be required to input Parcel ID numbers later in the application process.

Section 2 Questions: People

Please provide as much information as possible.

(Required) Applicant: Required questions are name/address/daytime and other phone/email

Owner: Who is the property owner?

Section 3 Question: Contractor

From the pop-up, choose as many options as applicable. If you don't have a contractor yet, you can skip to the next section

Section 4 Questions: Data Section

All questions should be answered, but some questions are "required" so you cannot move forward with the application with answering them. If you finish this section and cannot move forward when you click "next", review your answers to make sure all required questions have been answered.
