I understand the location of the structure is the responsibility of the contractor and/or owner and that said structure shall be placed in accordance with the approved plan and Topeka zoning regs.

I certify the information provided to be true and correct and agree to comply with all pertinent City of Topeka codes, ordinances and regulations.

I understand that I/the contractor am/is responsible to call for all required inspections

I consent to have City of Topeka personnel enter the premises legally described herein for purpose of inspecting the premises for compliance with all applicable City codes, during business hours.

I understand that all inspections must be completed and all work approved.

The applicant acknowledges I/we have reviewed the application procedures.

I am authorized to file this application and submit the attached documents associated with this Project consisting of plans, specifications, drawings, opinions, reports, and calculations.

Attachments (Document Upload)

In the Attachment section, click on Add and choose your first document to upload.

Document Type: Label – you must choose a label for your document. Available labels are specific to permit type.

In the Document Type Label dropdown, some labels will have a red * indicating you must upload this document and provide this label before you can move forward with your application.

If you have difficulty uploading a document, please contact us or send via email to DSDPermits@topeka.org.

Terms and Conditions

I (we) hereby acknowledge that all application procedures have been reviewed and understood as part of this submittal.

Fees / Payment

A notification will be emailed with payment and issuance options once your permit is approved.
To make payment

From the portal, click the Review tab and locate the permit application you’re wanting to pay.

From the Actions... dropdown, choose Pay Fees.
You will be re-directed to our online payment portal where you can pay by credit card or e-check.

For assistance making a Planning payment using the online payment portal, contact Development Services at 785-368-3704
