WHAT TO EXPECT
WHEN APPLYING FOR A PERMIT ON OUR
APPLICATION PORTAL

DEVELOPMENT SERVICES DIVISION

RESIDENTIAL EXTERIOR ALTERATION

Includes Items Such as Roof-Mounted Solar Panels

Application Help... before you apply:

For assistance with this application, please contact Development Services at 785-368-3704.

The following questions will be asked through our portal application

Section 1 Questions: Basic Info about the application

Project Name: _____

This would be the proposed project name. This is not a required question.

Address: _____

You can enter the project address or locate it on the map.

This can be left blank. You will be required to input Parcel ID numbers later in the application process.

Section 2 Questions: People

Please provide as much information as possible.

(Required) Applicant: Required questions are name/address/daytime and other phone/email

Owner: Who is the property owner?

Contractor: Who is the contractor?

Section 3 Question: Contractor

From the pop-up, choose as many options as applicable. If you don't have a contractor yet, you can skip to the next section

Section 4 Questions: Data Section

All questions should be answered, but some questions are "required" so you cannot move forward with the application with answering them. If you finish this section and cannot move forward when you click "next", review your answers to make sure all required questions have been answered.

Project Address: _____

Lot(s): _____ Block: _____ Subdivision: _____

Estimated Construction Costs: _____

Total Area of Construction: Total square footage of construction area _____

Residential Units: _____

Square Footage of Construction: _____

I understand the location of the structure is the responsibility of the contractor and/or owner and that said structure shall be placed in accordance with the approved plan and Topeka zoning regs.

I certify the information provided to be true and correct and agree to comply with all pertinent City of Topeka codes, ordinances and regulations.

I understand that I/the contractor am/is responsible to call for all required inspections

I consent to have City of Topeka personnel enter the premises legally described herein for purpose of inspecting the premises for compliance with all applicable City codes, during business hours.

I understand that all inspections must be completed and all work approved.

The applicant acknowledges I/we have reviewed the application procedures.

I am authorized to file this application and submit the attached documents associated with this Project consisting of plans, specifications, drawings, opinions, reports, and calculations.

Attachments (Document Upload)

In the Attachment section, click on Add and choose your first document to upload.

Document Type: Label – you must choose a label for your document. Available labels are specific to permit type.

In the Document Type Label dropdown, some labels will have a red * indicating you must upload this document and provide this label before you can move forward with your application.

If you have difficulty uploading a document, please contact us or send via email to DSDPermits@topeka.org.

Terms and Conditions

I (we) hereby acknowledge that all application procedures have been reviewed and understood as part of this submittal.

Fees / Payment

PORTAL APPLICATIONS

A notification will be emailed with payment and issuance options once your permit is approved.

To make payment

From the portal, click the Review tab and locate the permit application you're wanting to pay.

From the Actions... dropdown, choose Pay Fees.

You will be re-directed to our online payment portal where you can pay by credit card or e-check.
