TSC GET DIGITAL

The Topeka and Shawnee County Get Digital program provides affordable and equitable access to computer and internet equipment and services, along with technical support, training opportunities, and digital literacy services for low and moderate-income individuals and families. Through community collaboration and partnership, the program focuses on strategies and investments to create opportunities that help to reduce barriers to technology access and use with the overall goal of ensuring that all Topeka and Shawnee County residents and neighborhoods have the equipment and services needed for civic and cultural participation, employment, lifelong learning, and access to other essential health and human services.

COMMUNITY ENGAGEMENT RESOURCE BAGS

The Community Resource Bag is a printed version of local community resource information to give a quick view of helping agencies you are mostly likely to need when helping yourself or someone else. We probably haven't captured everything, but our team is working hard to constantly improve the information by adding verified community programming on a weekly basis. If you are interested in obtaining resource bags for your agency/organization please contact Monique Glaude at mglaudef@topeka.org or 785-368-4470.
