*"All of us, at some time or other, need giving or receiving a sweater, each one of us bring to this world. That's one of the things that connects us as neighbors — in our own way, everyone is a giver and a receiver." — Fred Rogers*

*help. Whether we're has something valuable to*

---

---

During February 2022, KTWU local public television will be honoring the legacy of Fred Rogers by collecting new and gently used (clean) sweaters, coats, cold-weather gear and blankets, especially items for children and teens.

## WEEKLY REPORT

Department: Public Works

February 3, 2022

What did your department do this week?

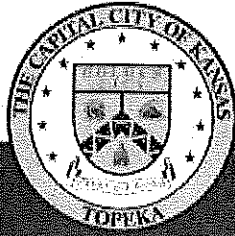

### Engineering

For more information about 2021 projects, go to a listing and recap at <https://www.topeka.org/news/category/press-releases/> or to the Topeka Project Portal at <https://projects.topeka.org>

- **12<sup>th</sup> Street – Gage to S Kansas Ave.** SW 12th is closed to through traffic west of Washburn. Some cross streets between have been closed in preparations for underground utility pipe replacements at those intersections.
- Various 2022 projects are under design and some are being prepared to send out for bid.
- A contract for the SE California – 45<sup>th</sup> to 37<sup>th</sup> is scheduled to start February 28 and be completed by December 9.
- A contract for the NW Tyler – Lyman to Beverly is progressing through the awarding process. The project is now scheduled to begin in the first week of March and be completed by the end of November.
- The City's Acting Engineer will participate in three career fair opportunities, the KU Tabling Session on February 10, the KU Engineering Career Fair on Feb. 12, and the Kansas State University Engineering Career Fair on Feb. 15-16. The City hopes to encourage students to consider working for the City where they could complete their four-year internship working under a licensed engineer (P.E.), which is required before taking the Professional Engineering Exam. Successful completion of the exam is the last step to becoming a P.E. The City currently has several project management positions open.

### Street (Jan. 19 – Jan. 25)

- Filled 262 potholes; 714 YTD
- Maintained 6 alleys; 10 alleys YTD
- Swept 2 lane miles of street; 19 YTD
