

# CITY OF TOPEKA

## PROGRAMA PARA REPARACIONES DE EMERGENCIA

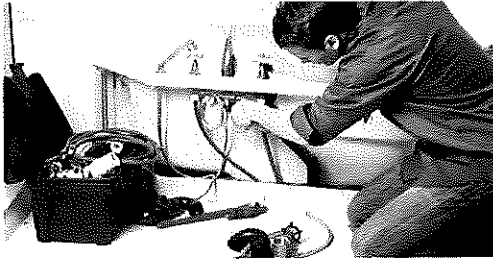

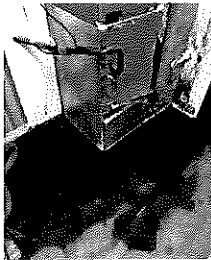

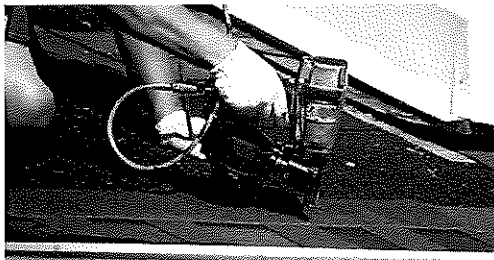

El propósito del Programa para Reparaciones de Emergencia es ayudar a los propietarios a realizar reparaciones por efectos inmediatos en la salud o seguridad, como los siguientes:

- Reemplazo de calderas
- Colapso de los drenajes
- Reemplazo del calefactor
- Fuga significativa en la tubería de agua, desagües, o fuga en la tubería de gas por requerimiento médico y sistemas mecánicos documentados
- Reemplazo de techo (no reparación)

Para inicialmente calificar a este programa, el solicitante debe:

- Llenar una solicitud
- Ser propietario y ocupar la propiedad en la ciudad por un año
- Proporcionar prueba de ingresos que debe ser menos al 60% del ingreso medio
- Proporcionar un documento gubernamental con fotografía

El programa de préstamo diferido no requiere realizar pagos mensuales ni genera intereses sobre el préstamo. El préstamo no debe pagarse a menos que una venta o transferencia de la propiedad ocurra en los próximos 5 años. Después de los 5 años, el 100% del préstamo será perdonado.

Por favor llame al 368-3711 si tiene preguntas en relación al Programa para Reparaciones de Emergencia.

# CITY OF TOPEKA

## PROGRAMA DE ACCESIBILIDAD

**El program de Accesibilidad proporciona modificaciones a propiedades residenciales para individuos con discapacidades físicas que sean propietarios o arrendadores. Los beneficios de este programa son:**

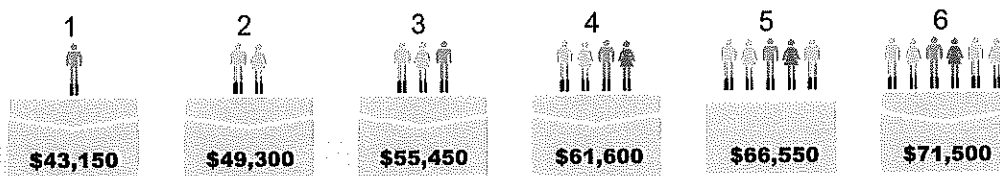

**Un acceso a la vivienda  
Rampa exterior  
Modificaciones en el baño(Solamente para propietarios)  
Acceso a un baño y/o cuarto**

**Para calificar a este programa, el solicitante debe:**

**Llenar una solicitud  
Proporcionar documentación acerca de la discapacidad  
Ser propietario y/u ocupar la propiedad  
Proveer prueba de ingresos  
Inspección**

### ***2021- Límite de ingreso por tamaño de familia***

**La asistencia es provista como una subvención única y no debe devolverse. Los individuos con discapacidades físicas verificadas cuya residencia principal se encuentra dentro de los límites de Topeka, Kansas y la vivienda debe estar ocupada ya sea por el propietario u ocupada por un arrendador. Las modificaciones en el baño solamente aplica para propietarios.**

**Por favor contacte a 368-3711 si tiene preguntas relacionadas al Programa de Accesibilidad.**

# PROGRAMA PARA LA RESTAURACIÓN Y EL MANTENIMIENTO DE LA PROPIEDAD

Los propietarios pueden recibir hasta \$20,000 para restaurar sus viviendas si han violado alguna regla de mantenimiento a la propiedad. Este es un programa gratuito que está disponible para los propietarios de viviendas.

Las solicitudes serán autorizadas de acuerdo con el orden en que fueron entregadas:

- Proporcionar identificaciones de todos los miembros que viven en la vivienda.
- Proporcionar comprobante de ingresos de los últimos 60 días de todos los miembros que viven en la vivienda.
- Todas las personas que aparecen en el título de la propiedad deben vivir en la vivienda y ser propietarios al menos por un año.
- El trabajo a ser completado debe hacerse en la vivienda y no en otros edificios alrededor de la propiedad.
- El hogar debe encontrarse en el 50% o menor del ingreso promedio para el área para calificar. Ver los lineamientos de ingresos a continuación.

**Ingreso promedio para calificar para una vivienda de 1-4 miembros es de \$38,850**  
**Ingreso promedio para calificar para una vivienda de 5-8 miembros es de \$51,300**

**Llame al 785-368-3711 para una aplicación.**

## ¿QUÉ NECESITAS SABER?

**Impact Avenues** es una colaboración con otras **35 agencias** que trabajan juntas para abordar las necesidades de estudiantes y sus familias sin una vivienda en el Condado de Shawnee. Utilizamos un impacto colectivo, un solo punto de servicio y el manejo de casos intensivo para **ayudar a las familias** a eliminar barreras y **encontrar una vivienda sostenible**. Se estima que hay alrededor de **500 estudiantes sin vivienda** en las escuelas de Topeka y el Condado de Shawnee.

### Para calificar:

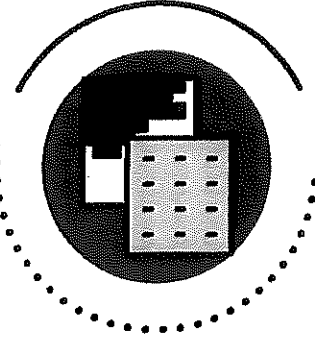

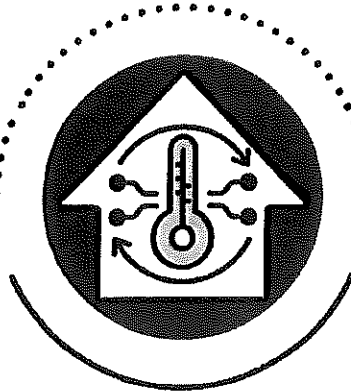

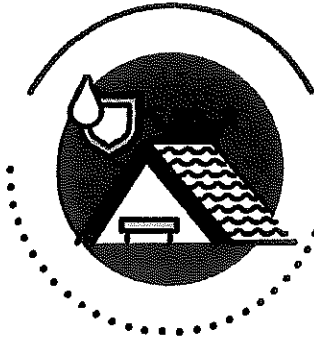

Una familia **no debe tener vivienda** y tener un **niño inscrito en una escuela en el Condado de Shawnee**. Un estudiante es considerado sin vivienda si les hace falta una residencia fija, regular y adecuada durante las noches (ie. Está viviendo en carros, moteles, comparten una residencia, duermen en el sofá de otros, albergues de emergencia, etc.) La familia puede informar al trabajador social de la escuela y ellos los referirán a Impact Avenues. Una vez aprobados, los estudiantes y sus familias obtendrán el apoyo que necesitan para conseguir una vivienda estable y la ayuda para las barreras que surjan con éxito.

**Jueves de Impacto** es cuando reunimos a todas nuestras agencias asociadas bajo un mismo techo para **permitirle acceso a las familias a todos los servicios y recursos** en un solo lugar.

Para más información visite [www.topeka.org/impact-avenues](http://www.topeka.org/impact-avenues) o  
Contacte a Carrie Higgins en [chiggins@topeka.org](mailto:chiggins@topeka.org) o 785-368-3711

**DEPARTAMENTO  
PLANIFICACIÓN Y DESARROLLO  
DIVISIÓN DE SERVICIOS PARA LA VIVIENDA**

## **PROGRAMA DE IMPERMEABILIZACIÓN**

**El programa de impermeabilización tiene el propósito de ayudar a propietarios que califiquen conforme a ingresos a hacer renovaciones en sus casas como las siguientes:**

- 90% o más del reemplazo de calderas
- Reemplazo de techo
- Aislamiento térmico en el ático y paredes
- Cerrar cámaras vacías
- Puerta exterior y ventanas rotas
- Sellantes y repello para sellar fugas

Para calificar al programa, el solicitante debe:

- Llenar una solicitud
- Ser propietario y ocupar la propiedad dentro de los límites de la ciudad
- Ser el residente principal por un año
- Proporcionar prueba de ingresos que debe ser menos al 60% del ingreso medio

El programa de impermeabilización proporcionará una subvención a los propietarios, una oportunidad para obtener ayuda para aislamiento térmico, sistemas de ventilación, sellantes. La asistencia financiera mínima que se proporcionará por actividad elegible deberá ser de \$1,500.00 y una asistencia de por vida máxima por casa y propietario de \$10,000 dolares. La impermeabilización mejora la eficiencia energética y disminuye el consumo en utilidades.

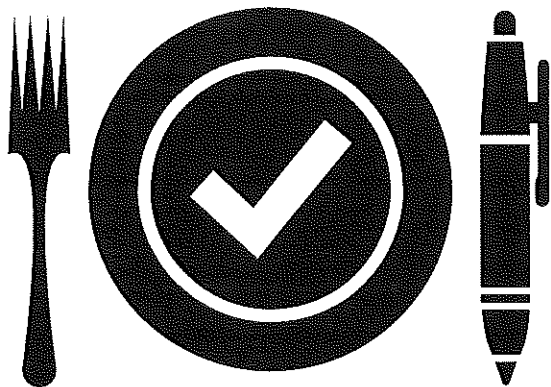

Por favor llame al 368-3711 si tiene preguntas.

## Successful Connections

## LUNCH & LEARN

**Presenter: Ivonne Cozad**  
Staff Clinician  
Family Service and Guidance Center

Ms. Ivonne N. Cozad is a Clinical Psychologist in Topeka, KS with special training and skill in identifying and managing psychological disorders. As a Clinical Psychologist, Ivonne N. Cozad performs psychological evaluations and creates treatment protocols. Clinical Psychology is the diagnosis and treatment of mental, emotional, and behavioral dysfunctions. Significant diseases and conditions treated by Clinical Psychologists include phobias, depression, obsessive-compulsive disorder, eating disorders, bipolar disorders, post-traumatic stress disorder, and schizophrenia. Medical tests, procedures and therapies provided by Clinical Psychologists include diagnostic observations and cognitive-behavioral therapy.

## Anxiety in Children

This presentation will address about the nature of anxiety and provide information regarding the different types of anxiety that are more common in children. Discussion will also include the way we treat anxiety at FSGC and ways in which parents and other adults could help support children with anxiety.

In this presentation participants will:

- Be able to define anxiety and the different types of anxiety that are most common in children
- Be able to identify physiological and cognitive symptoms of anxiety.
- Be able to understand how Cognitive Behavioral Therapy works and ways in which parents and caretakers could support children with anxiety.

### Date & Time:

Thursday, April 7, 2022  
12:00 – 12:55 PM

### Where:

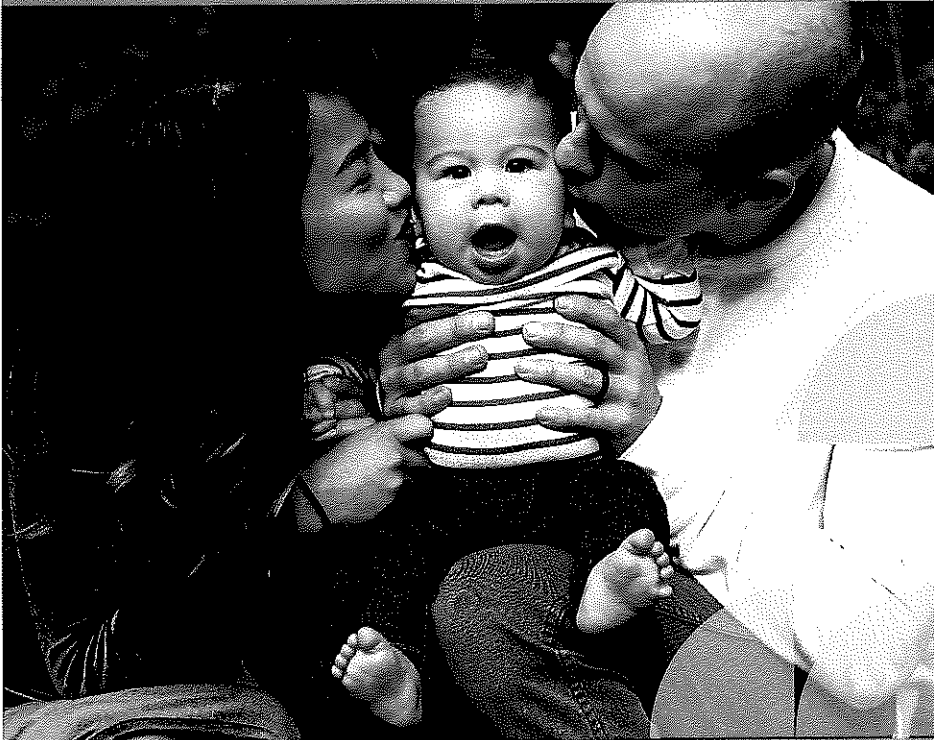

Online via Zoom

Register in Advance:

# TECHNOLOGY EDUCATION PROGRAM

SUPPORTED BY THE UNIVERSITY OF KANSAS AND UNIVERSITY OF MISSOURI-KANSAS CITY

## OVERVIEW

Our interdisciplinary team, composed of professors and graduate/undergraduate students at KU and UMKC, offers technology education for women recently released from jail or prison (or criminal justice involvement) in Kansas and Missouri. Based on empirical research and evidence-based technology education, we center our participants' interests and needs in designing our program and supporting the women in employment and post-incarceration adjustments.

## THE TEAM

Our instructors are professors, researchers, and students at The University of Kansas and University of Missouri-Kansas City.

## **Technology Education Program Supported by the University of Kansas**

### **Background on the Program**

The Technology Education Program is grant funded and offered by the University of Kansas and University of Missouri - Kansas City. The program is for women who have been recently released from jail or prison. The program teaches computer skills that are important for job participation and career advancement such as Microsoft office, personal branding, and website creation and management. The program is free to participate in and in order to qualify participants must:

1. Identify as female
2. Be 18 years of age or older
3. Have served time in jail or prison
4. Currently live in Kansas or Missouri or have been incarcerated in a Kansas or Missouri jail or prison

### **Purpose of the Program**

Our program was designed by professors, researchers and students from the University of Kansas, University of Kansas Medical Center and University of Missouri Kansas City. The educational program is for formerly incarcerated women who want to improve their job skills and personal knowledge in digital media and computing. Our primary goal is to support employment opportunities. We are very excited to share that current and former program participants have recently found employment for the first time since being released or have sought out new employment opportunities.

### **What We Teach**

Participants have the option to enroll in any Phases that they wish and can take as many or as few phases that they wish across multiple program sessions. For each Phase that a participant completes they receive a certificate of completion which they can put on their resume and discuss in interviews. Each Phase lasts around 5-7 weeks. Here is a list of the current Phases we offer:

Phase 1: Technology for Employment (Microsoft Office/Google Drive)

Phase 2: Online Personal Branding

Phase 3: Business Website Building Using WordPress

Phase 4: Advanced Spreadsheet

Phase 5: Digital Storytelling

Phase 6: Advanced Digital Storytelling

Phase 7: Business Communication

Phase A: Computing Introduction

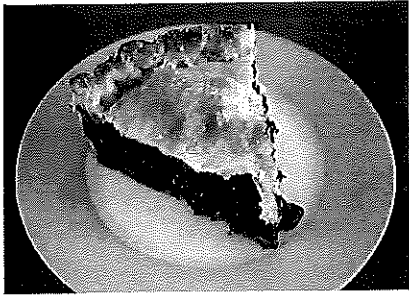

### **How Our Program Works**

Our program is taught completely online. We use an online Learning Management System where program participants watch instructional videos, complete activities, and interact with our instructions all on one secure website. Because our program is taught online, participants can log in and work whenever is convenient for them, they do not have to be logged in at specific times. Participants can expect to spend 1-2 hours each week completing lessons.

### **To Refer Potential Participants**

If you or someone you know is interested in the Technology Education Program, please complete the online form so a member of our team can contact you and get you started in the program.

## Recycled Rides

We are proud to again partner with Washburn Tech in support of their mission to deliver innovative educational and training opportunities to strengthen the communities they serve. Washburn Tech students in auto collision and auto service technology work with licensed technicians to refurbish cars for families in need. Washburn Tech was the first educational institution in the nation to participate in Recycled Rides, a National Auto Body Council program, in which students and their mentors repair donated vehicles. It's real-world work that's touching real lives.

May 3rd, we will be awarding car #33 and possibly #34 and are searching for qualified individuals or organizations to be nominated to receive one of these vehicles. If you know of anyone deserving of such a gift please nominate them by completing the attached form or have them complete the form themselves.

If you aren't familiar with the program here is a link you must check out! <https://www.washburntech.edu/student-life/student-organizations/recycled-rides.html>

### **To be considered for a vehicle through the Recycled Rides Program, nominees must:**

- Have a valid driver's license
- Have proof of income/employment or a verifiable job offer
- Must be insurable with no DWIs or DUIs on your driving record
- Must not have any other vehicle in the household in working order that belongs to you
- Must be drug free and no extensive criminal background
- If under the age of 25, you must have parental responsibilities

Deserving non-profit organizations in need of a vehicle may also be nominated. Please use appropriate application attached.

**DEADLINE Monday, April 4th at 5 p.m.**

If you have any questions, please don't hesitate in contacting me.

Sincerely,

**Joyce Katzer**

**DOING THE  
MOST GOOD**

## **Make Waves at Salvation Army Summer Camp**

***Full attendance available at seven camp experiences in June and July.***

Topeka, Kan., March 14, 2022, After COVID-19 cancelled camp in 2020 and a summer of limited attendance numbers in 2021, The Salvation Army's Three Trails Camp in Kansas City, Mo. will once again welcome the maximum number of campers for the upcoming seven camp experiences for the 2022 summer.

Three Trails Camp is home to a traditional, over-night summer camp, only a few minutes from downtown Kansas City. Campers enjoy a ropes course, hiking, archery, gaga ball, pool, and a host of other activities during their time at camp.

With the theme of "Make Waves," The Salvation Army will offer the following over-night camps:

**Older Adult Camp, June 6-9: Adults 55+**

**Kids Camp #1, June 13-16: Ages 7-12**

**Music Camp, June 18-25, Ages 9-17**

**Service Extension Camp, June 27-30, Ages 8-12**

**Sports Camp, July 5-8, Ages 10-14**

**Teen Camp: July 11-15, Ages 13-17**

**Kids Camp #2: July 18-21, Ages 7-12**

Camp can be a stress reliver for children after two years of uncertainty in the face of the COVID-19 pandemic. When surveyed by the Christian Camp and Conference Association, 62% of parents of high schoolers said their children's stress was "worse" to "significantly worse" than it was prior to the pandemic.

"Camp is a place for our families to send their kids to escape the stresses of life and have fun. Kids need camp more than ever," said Carrie Dixon, Three Trails Marketing and Guest Relations Director. "At Three Trails Camp, we are uniquely positioned to help kids from all social economic statuses heal from the experiences of the last year and just be a kid again."

Cost to families is limited to \$25 per camp and transportation is available in each child's community to and from Three Trails Camp on a limited basis. Registration is open now and closes one week prior to a camp's start date unless all spots are taken early. Please visit

[ThreeTrailsCamp.org](http://ThreeTrailsCamp.org) for individual camp descriptions to register or call 785.233.9648 for local assistance in registering.

### **About The Salvation Army**

The Salvation Army annually helps nearly 23 million Americans overcome poverty, addiction and economic hardships through a range of social services. By providing food for the hungry, emergency relief for disaster survivors, rehabilitation for those suffering from drug and alcohol abuse, and clothing and shelter for people in need, The Salvation Army is doing the most good at 7,600 centers of operation around the country. In the first-ever listing of "America's Favorite Charities" by The Chronicle of Philanthropy, The Salvation Army ranked as the country's largest privately funded, direct-service nonprofit. For more information about the Kansas and Western Missouri Division, visit [SalArmyMoKan.org](http://SalArmyMoKan.org). Follow us on Twitter: [@SalArmyMoKan](https://twitter.com/SalArmyMoKan) and [#DoingTheMostGood](https://twitter.com/DoingTheMostGood).
