

Central Highland Park NIA Meeting, Monday, Oct 14 , 2019 6:30pm

Hillcrest Community Center, 1800 SE 21st Street.

Plan to attend, the CHPNIA is the voice of our community!! You have a voice!

Homeowners, Renters, Students and Businesses:

Community: The City Engineer will be in attendance to address concerns regarding traffic, streets, drainage, etc. in the Central Highland Park area.

Five NIAs applied for the 2020 SORT Program. The 2020 SORT funding was awarded to East Topeka North NIA. CHPNIA received the second highest score. CHPNIA can apply each year if not selected.

Job opportunity: US Census Bureau has began the process for the 2020 Census. The census provides vital information for you and your community. The census statistics help determine a variety of resident needs including new roads, schools, and emergency services. The census determines how many representatives each state gets in Congress and more. The public can reply to the 2020 Census by internet/online, phone, or mail. In-person visits to households that haven't responded begin April 2020. The Census Bureau is **now** accepting applications for **paid** 2020 Census Enumerators (census counters/door to door). To submit an application visit website 2020Census.gov/jobs. (These are temporary positions)

Washburn Tech East: Stay informed of your opportunities - high school, GED, CNA/CMA, CDL, various trades, etc.

CHPNIA 2019 Elected officers: Vacant, Pres., Danetta Stevens-Miller, VP, Peggy Lewis, Secy/Treas plewis1@cox.net
