NE Morse St. to NE Soldier
Street Repair Project # T-841017.85
Water Improvement Project # T-281161.01**

City of Topeka Half Cent Sales Tax Project
March 11, 2021

Project No. T-841017.85 - Street Improvements N. Kansas Avenue from N.E. Morse Street to N.E. Soldier Street

Project Scope of Work

- ▶ Full depth pavement replacement
 - ▶ Asphalt Street, concrete curb and gutter
 - ▶ Concrete Intersections (N.E. Morse St. and N.E. Paramore St.)
- ▶ Three-lane street with on-street parking
- ▶ Some sidewalk and accessibility ramp improvements
- ▶ Storm sewer inlet adjustment to new pavement height
- ▶ Street return and drive approach replacements
- ▶ Waterline replacement - From just south of Morse St. to just north of St. John St.
- ▶ Two-way traffic will be maintained during construction.

Project Schedule

- ▶ Construction: March 22, 2021 - December 2
- ▶ Demolition and waterline work will begin the project at the following intersections: west lanes of the south leg at Kansas and Morse, east leg at Grant, and the east leg at St. John. Then the west side of Kansas will be reconstructed followed by the east side.
