

CITY OF TOPEKA PROJECT 861026.04

KDOT Project 0505-03 Request for Qualifications (RFQ)

The City of Topeka is seeking qualified consulting firms for construction inspection in the category equivalent to the Kansas Department of Transportation's (KDOT) Work Category: 241 – Roadway and Bridge Construction Inspection for the project listed below.

Description

City of Topeka project number 861026.04 for construction observation and inspection services for the 10 Foot Shared Use Path located approximately east of NW Tyler Street, from NW Lyman Road to NW Paramore Street; KDOT Project 89 TE-0505-03.

Contract Terms and Conditions

This is a KDOT and City of Topeka project using KDOT funding. A standard three (3) phase, three (3) party agreement will be utilized with special attachments for the Kansas "Tax Clearance Certificate", the "Certification of Final Indirect Costs", and the "Policy Regarding Sexual Harassment".

All qualified engineering consulting firms interested in submitting a letter of interest and a Statement of Qualifications to the City of Topeka can do so through the City's ePro system. Those wishing to submit proposals may do so online at www.topeka.org, Doing Business, Bid Opportunities – Click on Bidding Opportunities & Supplier Registration TOPEKA ePro button, and Login if you are already registered, or complete the registration process as a new user.

A link to the ePro system and further instructions can be found at <https://www.topeka.org/procurement/>, or by using the link below. The purpose of this advertisement is to determine those who wish to be considered. If your firm is interested in being considered, a letter of interest should be submitted with the other necessary information outlined in the bid solicitation documents. Questions about this request for qualifications shall be entered using the Q&A function on the bid event in the City's ePro system.

For technical assistance please email procurement@topeka.org.
