REQUEST FOR PROPOSAL (RFP)

City of Topeka, Kansas

RFP for Professional Engineering Services, Traffic Signal Replacement Project Citywide
RFP Event #2616

The City of Topeka is seeking a qualified professional engineering firm to provide services for Traffic Engineering for the following traffic signal replacement projects: Project 141033.01 (SW 10th Avenue: SW Washburn Avenue/SW Lane Street), Project 141033.02 (SW 21st Street & SW Randolph Avenue), and Project 141033.03 (SE 37th Street & SE Adams Street). Services include providing engineering design for the projects and any sidewalk ADA ramp repair and or new installation. Service will be under the Department of Public Works, Engineering. For specifications, please go to www.topeka.org, Doing Business, Bid Opportunities. Proposals should be submitted online in the Topeka ePro system after registering and logging on.

Proposals will be received by the Contracts and Procurement Office until 2:00 PM CST, or local time, on August 3, 2022. Proposals received after the specified time and date will not be considered.

The City reserves the right to accept or reject any or all proposals, waive any technicalities or informalities, and to determine which proposal is best.

Leigha Boling, Director
Contracts and Procurement Division
